**THE SAVINGS BANK.**—The stockholders of the Alexandria Savings Bank held a meeting yesterday evening in the office of Mr. J. M. Johnson and organized by the adoption of a charter and by laws and the election of the following board of directors: J. R. Zimmerman, E. S. Leadbeater, L. E. Uhler, W. H. Fish, Geo. Wise, Chas. King, J. T. Burke, D. N. Rust and R. W. Avery. A charter will be applied for at once and the directors will at an early date elect a president, and secretary and treasurer. It is understood that Mr. Zimmerman will be chosen president, and Mr. Uhler secretary and treasurer. All of the \$10,000 in stock has been taken. The by-laws provide that for the present the treasurer shall be at a place, to be hereafter selected, every Saturday evening from 5 to 7 o'clock to receive deposits. When the business increases of course the bank will have daily hours.

**A SAD CASE.**—It was stated in the GAZETTE last week that a man named Vanchaller had died in the almshouse at Hagerstown, Md. A letter from that place says: "George L. Vanchaller, from Alexandria, secured employment in the brick company's works at Hagerstown, Pa., 12 miles from Hagerstown. He worked five days and then was taken sick, which terminated in insanity. While in this condition he wandered off into the country, finally landing in the almshouse at Hagerstown, where he died a day or two ago. Vanchaller, it is said, recently left by fire his home with all its contents, and it is thought this produced his aberration of mind. The body has been decently interred and efforts are being made to apprise his relatives at Alexandria of his fate."

**PERSONAL.**—Mrs. Alexander McBurney is thought to be slightly better to-day. Mrs. M. L. Mankin, formerly of Loudoun county, but who has lived in this city for the past year, has returned to her home in Loudoun on account of her son's ill health. Mr. John D. Hoge is quite sick at his residence on Washington street. Rev. W. J. Young will return from Baltimore this evening and will to-morrow occupy his pulpit in the M. E. Church South. Mrs. Hesselius Smith, who has been visiting relatives in Woodbury, N. J., and Philadelphia, has returned home. Mr. J. F. Peyton, jr., has recovered from his late illness. Mr. J. B. Waller is out again.

**OPERA HOUSE.**—"Daniel Boone" will receive its second performance in this city to-night. Since its first production last season the play has been entirely re-written, and is now spoken of as being the best drama of its class. The company is a very strong one, and numbers such people as Dave H. Woods, Landon McCormack, R. M. Rogers, Chas. Clark, Marie McCormack and others equally well known. The scenery is all new and the horses do some very intelligent work. The "Daniel Boone" band will give a concert in front of the Opera House to-night.

**DIED FROM HOME.**—Mrs. Cox, wife of Mr. J. E. Cox, of the Midland road, died in Petersburg this morning. Mrs. Cox left here a short time ago to visit friends in Petersburg, her former home, and died after a few days illness. Her husband was with her at the time of her death, but the other members of the family were here. They left this morning to attend the funeral which will take place in Petersburg to-morrow evening.

**WHY THE EXCEPTION?**—A letter from Hoadly, Prince William county to the *Manassas Gazette* says: "Mr. Thomas N. Carter, from Alexandria, has been here surveying land and writing deeds for a number of parties in this vicinity. The people seem to like Mr. Carter, as a surveyor, very much, except one man, and he told him that if he brought his machine inside of his fence he would throw both over the fence."

**MONEY AND COMMERCIAL.**  
**NEW YORK, March 15.**—The heaviness in the stock market last evening was still reflected in the opening this morning, and first prices generally showed small losses from last night's figures. The tone of the early dealings, however, quickly changed for the better, and a general improvement took place. The market displayed no further feature, and at 11 o'clock it was quiet but strong at the best prices reached.

Nothing has been heard to establish the identity of the man who died here last Saturday from the effects of laudanum, exposure and a pistol wound, and his body was buried this evening.

**Sight Restored.**  
 Mr. A. K. Hawkes: Dear Sir—About one year ago my sight began to fail, with the usual symptoms, viz: after reading for a short time my eyes became confused and there seemed to be a dimness before them, also accompanied with pains in the eye ball. Being satisfied that glasses were imperative, I immediately applied to you for them, and, I am happy to say, with wonderful results, for after having worn your crystallized lenses for a short time my eyes regained their accustomed strength, and I can now read the 20-foot print for hours with perfect ease without glasses.
